**ANNOUNCING**  
**The Reprint of**  
**SCOTT'S COPPER, NICKEL**  
**AND**  
**BRASS — WITH ROMAN BRONZE**

This is the most complete and about the only general work on foreign coins prior to the 20th century. We have improved on the old reprints by putting this out in a heavy cloth cover. The old ones only had a paper cover that soon wore out. This book is fully illustrated and shows practically every type of foreign as well as Roman bronze coin.
